GS

SUMMARY

Possessing a Bachelor's degree in Computer Science and over 3 years as a skilled Flutter Developer, I specialize in cross-platform development for iOS and Android. Fluent in Dart, adept at code versioning, and well-versed in UI design principles, I contribute to efficient and collaborative team dynamics. Effective communication in English further enhances my professional capabilities.

EXPERIENCE

Flutter Development Internship

Invision Custom Solutions

📅 03/2021 - 03/2023   📍 Remote

Collaborated with a distributed team to develop various Flutter hybrid applications.

- Applied Flutter for cross-platform app development.
- Utilized Dart language for coding proficiency.
- Gained exposure to Firebase and Supabase for backend functionality.
- Learned version control tools for collaborative development.
- Explored Android/iOS UI design for user-friendly interfaces.
- Collaborated with cross-functional teams, emphasizing effective communication.
- Embraced feedback for ongoing personal and professional growth.

PROJECTS

Passtop

🔗 https://github.com/Gumaan-Mahar/Passtop.git

Passtop is a password manager built with Flutter and Supabase. It offers a sleek UI and robust encryption for top-notch security.

- Implements secure onboarding through Google OAuth authentication.
- Leverages Supabase Channels to achieve real-time synchronization.
- Deploys Supabase Edge functions to ensure secure server-side functionality.
- Implements industry-standard encryption through the integration of the Cryptto, Encrypt, and PointyCastle packages.
- Leverages GetX for streamlined state management, ensuring efficiency in the application.
- Incorporates responsive screen and font sizes by integrating the flutter_screenutils package.

E-Commerce UI

🔗 https://github.com/Gumaan-Mahar/e-commerce-ui

A sleek E-Commerce UI app built using Flutter with clean and pragmatic code, responsive design, and state management using Provider.

STRENGTHS

🏳 **UI/UX Design**
Understanding of UI/UX principles to create user-friendly and visually appealing interfaces.

⭐ **Action Oriented**
Proactively tackles challenges, driving efficient and effective results with a keen eye for continuous improvement.

⚡ **Teamwork and Collaboration**
Adept at fostering a collaborative atmosphere, actively engaging with team members to achieve shared goals.

SKILLS

Flutter   Dart   Firebase   Supabase

JavaScript   React   NextJS   Git

GitHub   BitBucket
